**INQUIRY INTO BUDGET PROCESS FOR INDEPENDENT  
OVERSIGHT BODIES AND THE PARLIAMENT OF NEW  
SOUTH WALES**

**Name:** Name suppressed  
**Date Received:** 6 November 2019

---

Partially  
Confidential

Having close to two percent of misconduct cases by the police is unacceptable and more needs to be done. If our current watchdog is not properly funded then New South Wales will be dealing with far more serious instances of power abuse in the coming years. Not to mention the multiple strip searches or underage children which is close in nature legalized sexual assault. I hope whoever reads this to please ask themselves the question "what has happened in other countries where authoritarian bodies are left unchecked.
