Dear whomever may be reading this,

I am a 21 year old Australian man. I have seen how ,especially NSW, Police operate in this country with a careless abandon for any protocol or procedure. Following logic, because our wonderful country has laws to prevent these things happening, it is evident that the lack of oversight of our law enforcement officials. I think the behaviour that I have personally witnessed, and been subject too, is not to the enlightened standards of our beautiful, peaceful and democratic nation. Police are people too and should not be held above the rest of us.

Thank you for your consideration
