**INQUIRY INTO BUDGET PROCESS FOR INDEPENDENT
OVERSIGHT BODIES AND THE PARLIAMENT OF NEW
SOUTH WALES**

It is an outrage that a Government sworn to upholding the interests of its electorate would willingly allow oversight organisations like the Independent Commission Against Corruption to be starved of its resources to the point it can no longer perform its duties. These watchdog groups are not an unnecessary expenditure. They are necessary to ensure that bad actors against the State do not interfere with our Constitutional and Democratic processes.

We have seen it happen in the United States (Allegedly), now more than ever is the time to be wary and ensure that everyone gets a Fair Go.
