OVERSIGHT BODIES AND THE PARLIAMENT OF NEW
SOUTH WALES**

Our elected officials & members of the police force must be held accountable for their actions & have a fully funded external LECC & ICAC to investigate all claims of corruption & abuse.

If you do not take the lead and fully fund these external agencies, if you try to suffocate them through budget cuts or red tape then complete chaos will ensue as the whole system of government we have relied on for the past century will crumble.

You have a choice: deliver the oversight this government & our police desperately need, or there will most likely be riots in the streets.
