**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Ms Sandy Zillman
Date Received: 22 November 2019

I am only one of thousands of people that regularly voice upset & disgust at the captivity and abuse of exotic animals. No wild animal or sea creature should be kept in captivity and taught 'tricks' for the pleasure of 'MAKING MONEY' from their sad existence!

We as humans have failed in our approach to animals and it's a sad time we live in with the 'bury your head in the sand' approach to all cruelty inflicted daily on all types of animals. You as a government can step up and make a difference, **THE RIGHT THING TO DO** is make new policy to never allow an animal to suffer, and all perpetrators pay a very heavy penalty, and **NEVER** allowed to have **ANY** animal ever again!
