I do not support the use of exotic animals and cetaceans for use in entertainment

I do not support the breeding of exotic animals or cetaceans

I felt conflicted when the circus came to town in Miranda. I would have loved for my children to experience a circus, but could not support a circus with lions and monkeys. It isn't right in this day and age for us to still see these wild creatures performing tricks. In fact I don't believe any animal should be forced to perform tricks, travel long distances, live in small enclosures.

I am also aware the RSPCA do not support it.
