Having been a member of Animal Liberation, AnimalsAustralia, Cheeta and Animal Justice Party, am very aware of the frightful conditions of many animals; in particular Food Animals and animals used for entertainment.

Dolphin Marine Pools are far too small and not even saltwater, with the ocean only metres away.

Life would be hell for these creatures and I support the need for a

Sea Pen in the Bay, where some aged Dolphins would reside and rescued ones kept before entering the ocean once more.

The Circus animals are another story; hiking around the countryside, with cramped conditions, hot and cold weather, severe training, is no way for these innocent creatures to live out their lives.
