CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

The use of animals in entertainment is barbaric and cruel, animals do not deserve to be put into conditions under which they have to perform for the enjoyment of spectators who are misled about the wellbeing of said animals.

The breeding of animals for entertainment is also another example of inhumane practices that are allowed to continue this abuse, please help stop this practice.

Circuses with performing animals that regularly visit my town of residence are continually met with increased opposition in the form of protest and the removal of advertising, many citizens of NSW have a common view that these forms of entertainment are outdated and do not reflect the current need for continual protection of animal welfare.

Animals are not here for our entertainment.
