I state my opposition to the use of wild animals for entertainment.

this obviously includes lions, rhesus monkeys, elephants and whoever else circuses thing they can exploit for profit.

I am also against dolphins being kept captive only to be forced to perform mindless tricks for the public.

I feel ashamed that we co opt such intelligent creatures for such a purpose. I am also astonished that it continues to be lawful.

Though I am aware many countries have banned exotic animals in circuses. Time for NSW to follow though better if NSW would show leadership.
