Re: Exhibition of exotic animals in circuses and cetaceans in captivity

I do not support the use of exotic animals and cetaceans for use in entertainment.

I do not support the breeding of exotic animals or cetaceans for use in entertainment.

It is cruel to use these animals for entertainment. I don't endorse animal cruelty.

Using exotic animals in circuses is outdated. I don't want to pay for their suffering. I rather see humans perform which is very skilful and exciting to watch.

Cetaceans need their ocean which is their home. They do not belong to us. We shouldn't use them for our enjoyment. Imagine being stuck in a concrete pool for decades. How terrible.

I would like to see exotic animals from circuses and cetaceans that are in Dolphin Marine Magic be sent to sanctuaries.
