INQUIRY INTO ANIMAL CRUELTY LAWS IN NEW SOUTH WALES

Name: Ms Rowena Ollis
Date Received: 28 November 2019

Shocking case of animal cruelty where twenty kangaroos were killed by truck driver. I am appalled by the totally inadequate sentence imposed on the 20 year old truck driver.

Community service does not reflect the seriousness of this blatant act of cruelty. This criminal should be in prison for a lengthy sentence and receiving psychiatric treatment. He is a danger to society.
