Inquiry into the enforcement of the Prevention Of Cruelty To Animals Act

I am appalled that the recent running down of 20 kangaroos is considered an ok thing to do in this country. This man purposefully killed 20 animal lives in the most cruel way and gets to walk free. Absolutely disgusting. When will this country stop supporting animal abuse with the excuse of "they are just animals?" This man should have gone to jail and it is about time this type of thing is enforced.
