**INQUIRY INTO ANIMAL CRUELTY LAWS IN NEW SOUTH  
WALES**

**Name:** Mr Robert Zurobski

---

For animal cruelty to be a federal crime with serious jail time as has been introduced in the USA, the womat, kangaroo, kookubarra killers are all derranged psychopaths that should all be serving jail time yet walked away free! Running down 20 odd kangaroos should easily equate to 7 yrs jail and this deranged individual is not fit for public !
