**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mrs Acacia Grant

Date Received: 3 January 2020

To whom it may concern

Yes exotic and domesticated Animals should be allowed in touring circuses. Not only are they cared for like a family member they are healthy loved animals that aren't abused.

I am all for Circuses, Zoos, Aquariums. Animals in the wild live a hard and short life where as animals in the circus, zoos and aquariums live a long and prosperous life.

Breeding animals in the circuses, marine parks and zoos will keep a lot of species alive. We have to think about the future and what our children will grow up with.

Kind regards

Mrs. Grant.
