CONTAINING COAL ASH REPOSITORIES**

Name: Ms Joan McCarthy

Date Received: 14 February 2020

I am writing to you as a great grand mother concerned for my 16 offspring.

It is just on 12 months since the closure of the myuna recreation centre due to a fault in the ash dam wall. While there has been approval to expand the dam we still wait for the danger of the wall to be rectified!!!!!!!

Please explain.
