**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Mr David Churchill

Date Received: 25 March 2020

Parramatta Powerhouse Museum

The proposed location of a Powerhouse museum in Parramatta is wrong. The location should be at position that does not destroy heritage and environment. Please consider another location possibly the Female Factory grounds that would enhance the heritage of the Female Factory and provide a site suitable for visitors.
