**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Ms Jennifer Blackman AO

Date Received: 30 March 2020

1. Objection to the proposed location of the replaced P.H. Museum to Parramatta. There have been too many historic places compromised in this city. I refer the committee, e.g., to the book published of Historic Parramatta by Cedric Emanuel to see how much of our history has already been lost. The Western part of Sydney has not been careful enough of its history.
2. Objection to the removal of the Power House Museum from Sydney.
 - (a) Sydney city will be richer if this building is retained with its diverse architecture and
 - (b) The State has enough historic objects to have two such Museums. We need both.
