**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Mr Aaron Drew

Date Received: 18 April 2020

I'm requesting a formal investigation into due process around the powerhouse museum relocation to Parramatta. Community interests for locals in both Ultimo and Parramatta do not appear to have been taken into proper account, the relocation purported to be a boom for Parramatta appears to be destroying heritage artifacts both in terms of unrelocatable exhibits (the watt engine and train) and heritage buildings at the Parramatta site.

I would like particular focus to be made into allegations that vested interests exist around government and property dealings at the Ultimo site. The government exists to serve the people and nothing about this move seems to serve NSW citizens.
