

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Name suppressed

Date Received: 24 April 2020

Partially
Confidential

I fully support Mr Latham's proposed amendments to the Anti-Discrimination Bill. I believe in its present form, the ADB is too easily abused to harass & intimidate people with dissenting views. The amendments would strengthen the right to free speech while still affording protection against discrimination of any kind.
