**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

**Name:** Mr Darren Earley

**Date Received:** 24 April 2020

---

I Darren Earley beg you please to stop this horrendous abuse of Australian laws by this serial complainer that would not have ever made a complaint against a innocent man if he had to pay all costs himself, instead of expecting us taxpayers to keep footing his bills, it astounds me how any case that has been beaten in the courts as many times as Bernard Gaynor has won, and yet the ridiculous laws keep allowing him to do it, please STOP THIS IMMEDIATELY. Darren.
