

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

I call on the parliament to pass Mark Latham's bill. As, for example, Bernard Gaynor faced 37 complaints since 2014. B.G does not live in NSW. No one in Queensland has complained about him. The NSW Anti-Discrimination Board (ADB) is inconsistent in determining who is vexatious. Common sense should prevail.
