**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

**Name:** Miss Paola Cattuzzato

We WANT Mark Latham's bill to become law!

To address the NSW parliament calling on the parliament to pass Mark's bill.

We, my family and I reference Mr Bernard Gaynor`s case whom has faced 37 complaints since 2014 and for what!?

Mr Gaynor does not even live in NSW & no one in Queensland has complained about Him.

None of the complaints have been substantiated and Burns' has boasted that he has lodged complaints to bankrupt me and that he wants me silenced for good.

The ADB has refused to even investigate whether Burns' complaints are vexatious and continues to process them, who are the ADB and how dare they carry on with this level of injustice!

It all sounds like modern persecution, OUTRAGES.

It is time for you the members in parliament corrected and supported the few good men we have left in our decaying society.

We, the Cattuzzato Family; are livered by Gary Burns, and hes outrages behavior against Christians of this country!

We could go as far as suggesting Religious Catholic Christian discrimination allowed by Australians politicians as it seems.

And to think that Australian was founded by Christians, Irish, Italians, French, German Catholics And English just to have all of our traditions, Holy days, Morals stands put aside by the Atheists of our Nation that wish to have us believe in nothing.

We are extremely disappointed that such a vicious attack would be perpetrated to such an Honorable highly decorated Army Man that is the father of 8 children and a loving husband to his wife and consequently lost his house due to what you have allowed!.

We will be watching these proceeding closely.

Regards,

The Cattuzzato Family
