**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Mr Peter Inns

Date Received: 24 April 2020

I have been following the various complaints against Bernard Gaynor by Gary Burns with interest and alarm. Gary Burns has also attacked Israel Folau and placed demands on him. It seems obvious that Gary Burns is using the Law to pursue his own, political agenda. What is truly astonishing is that the ADB is complicit in the process. I am also at a loss to understand how the ADB can make state law applicable to a different state. It is about time that the vendetta against Bernard Gaynor is ended and Gary Burns put in his place. It seems that only changing the law will protect the free speech of individuals who have justifiable moral objections to various laws that have been enacted.
