I strongly support this submission on the following grounds: Queensland resident, Mr Bernard Gaynor, has faced 37 complaints since 2014. No one in Queensland has complained about him. None of the complaints have been substantiated and a Mr Garry Burns has boasted that he has lodged complaints to bankrupt Mr Gaynor, and that he wants to silence Mr Gaynor for good. This is despite ADB president Annabelle Bennett this week writing to Mr Burns "declining" a similar complaint against Israel Falou, because she was satisfied it was vexatious and "a flagrant abuse of process such that no further actions should be taken". The ADB has refused to even investigate whether Burns' complaints against Mr Gaynor are vexatious and continues to process them.

This is gross hypocrisy and injustice.
