(COMPLAINT HANDLING) BILL 2020**

I request that you would support Mark Latham's Anti Discrimination Bill. The NSW Anti Discrimination Board (ADB) appear to abuse their power in an effort to justify their existence, rather than supporting the law. They should not be entertaining complaints by Mr Burns against Mr Bernard Gaynor when Mr Burns has lodged 100's of complaints (this in itself shows something is awfully wrong with Mr Burns). Mr Gaynor doesn't live in NSW, so how does the NSW Ant-discrimination Board have jurisdiction over Mr Gaynor?
