**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

I call on the NSW parliament to pass Mark Latham's bill to force the ADB to reject vexatious complaints and complaints against brain damaged people. If this is passed it will stop senseless complaints for example the 37 complaints that Gary Burns has made against Bernard Gaynor, who doesn't even live in NSW. The ADB has refused to even investigate whether Burns' complaints are vexatious and continues to process them. It is time this madness stopped.
