

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Name suppressed

Date Received: 24 April 2020

Partially
Confidential

Legal mechanisms are required to identify, early in their legal activities, the serial, vexatious litigants to:

1. Minimise the time wasted by the courts;
2. Prevent financial stress and possible financial ruin of defendants;
3. Reduce the mental stress and subsequent physiological problems of defendants; and
4. Allow courts to impose penalties on those who lodge vexatious complaints.

Yours,
