

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Name suppressed

Date Received: 24 April 2020

Partially
Confidential

It is an absolute outrage that Mr Bernard Gaynor has been forced to face 37 complaints since 2014
.He doesn't live in NSW.

No one in Queensland has complained about him.

I live in South Australia and could have also been subject to his litigation.

Outrages actions and supported by the NSW Anti-Discrimination Board. None of the complaints
have been substantiated and Burns' has boasted that he has lodged complaints to bankrupt Gaynor.
This and silencing Gaynor has been his only motive.

The ADB has refused to even investigate whether Burns' complaints are vexatious and continues
to process them.

To write this on the eve of 25th April, to tomorrow at Dawn, to remember the men and women
who gave their lives for our freedom, to believe this is taking place is just appalling.
