**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Ms Kathy Maxwell

Date Received: 30 April 2020

To the Committee

If the Powerhouse must be moved to Parramatta (I don't want this and would prefer our own Museum) please ensure that it does not come at the cost of heritage buildings such as Willow Grove and St George's Terrace. Please preserve them and find a way to incorporate them into the story and showcasing of the Museum.

The heritage and history of Parramatta makes it unique. It is priceless. Keep this historic value in Parramatta and add the Powerhouse value to it. London has great museums and great history. We can achieve the same but need the Committee's vision to make it happen.

Thank you.
