

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

**Name:** Name suppressed

**Date Received:** 24 April 2020

---

Partially  
Confidential

The Anti Discrimination Board must stop allowing people to repeatedly harass other people. Bernard Gaynor has had his life virtually controlled in a very negative way because the ADB simply allows such shocking harassment to happen. This is disgusting behaviour by a government funded board. Mark Latham's bill must be supported so as to allow a level of fairness.
