I would like to ask that you support Mark Latham's Bill to end Vexatious Complaints. Having read about the pursuits of one NSW man against a person who lives in Qld - especially the State and personal cost the person being pursued - it is long over due. Bernard Gaynor has faced 37 complaints since 2014. He lives in Qld. No one in Queensland has complained about him. None of the complaints have been substantiated and Burns' has boasted that he has lodged complaints to bankrupt Bernard and that he wants Bernard silenced for good. The ADB has refused to even investigate whether Burns' complaints are vexatious and continues to process them. It is time this madness stopped.
