

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

I call on the Parliament to pass Mark Lathams Bill. I Refer to Bernard Gaynor, who has faced 37 complaints since 2014, does not live in NSW, no Queensland complaints made against him. None of the complaints have been substantiated by 'Gary Burns'. Vexatious claims & abuse of process have no place, this bill will help curb them.
