I am writing in support of 'Anti-Discrimination Amendment (Complaint Handling) Bill 2020' by the Hon Mark Latham, MLC. I note the multiple vexatious complaints against Israel Folau and Bernard Gaynor by Garry Burns, who has publicly stated: "Fellas, I'm just like a vicious Alsatian dog. Once I grab hold of the leg, I don't let go until the bone is bare and bloodied. One way or another, I will get that remedy from Mr Folau" and "has boasted that he has lodged complaints to bankrupt [Bernard Gaynor] and that he wants [Gaynor] silenced for good." The law must be amended to prevent serial and vexatious complainants who abuse the system to pursue vendettas against people with whom they disagree.
