

**Submission  
No 121**

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT  
(COMPLAINT HANDLING) BILL 2020**

**Name:** Mr Luke Caulfield

**Date Received:** 24 April 2020

---

To whom it may concern,

The greatest threat to our freedom of expression and speech - particularly with relation to the abuse of Anti Discrimination Legislation - is those who use these laws as a weapon to silence and marginalize those who hold a different views, especially those rooted in Judeo-Christian beliefs. I support the amendments to this legislation by Mr Mark Latham MP and hope the proposed safeguards will be implemented.

Regards,

Luke Caulfield.
