Please consider a way of keeping Willow Grove preserved.

I would love to show my children the history of the area and they are currently too young (ages 3 and 1).

I have fond memories of visiting the Powerhouse Museum as a child with my parents and on school excursions, but also places like Elizabeth Farm.

Moving the Powerhouse should not be at the expense of our local history.

I want my boys to be proud of the part of Sydney they are from.

Please find a way to keep this historic building.

We owe it to the next generation.
