**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Mr Brian Morrow

Date Received: 25 April 2020

The conduct of the NSW Anti-Discrimination Board is disgraceful in allowing people like Gary Burns making vexatious submissions, with his costs being born by NSW Taxpayers. I fully support the recent motion made by Mark Latham in this regard and urge all NSW Politicians to support Latham's Bill. I cannot believe how weak NSW Politicians have been in allowing this situation to develop unhindered for so long, even ignoring rulings of the High Court.
