

**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Name suppressed

Date Received: 25 April 2020

Partially
Confidential

I submit that multiple ongoing claims by single individuals when subsidised by taxpayers money only encourage vexatious individuals to harass and intimidate others. If these complainants had to finance their own legal cases I suspect that their claims would evaporate! The law is not there to be manipulated by individuals for their own activism.
