**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Mr Greg Davis

Date Received: 25 April 2020

It is clear to me that the ADB is out of control and is costing taxpayers huge dollars as per the vexatious cases of Gary Burns vs Bernard Gaynor.

It is also clear to me that the ADB and NSW Attorney General does not respect the decisions of the High Court of Australia with respect to this case and this is very troubling. Enough of this. The NSW Attorney General should step down for his partisan support of Gary Burns and lack of respect for the High Court.
