

## **INQUIRY INTO PROVISIONS OF THE FIREARMS AND WEAPONS LEGISLATION (CRIMINAL USE) BILL 2020**

**Name:** Mr Peter Sinclair

**Date Received:** 7 May 2020

---

As a fire arm owner for over 35 years I feel that the proposed bill is not only unrealistic but must have been put forward by people who either, have no idea about repair and maintenance of firearms or they are following another agenda. I would ask that this bill be put down in all its form.
