**INQUIRY INTO ANTI-DISCRIMINATION AMENDMENT
(COMPLAINT HANDLING) BILL 2020**

Name: Mr Bob and Mrs Vicki Maggs

Date Received: 26 April 2020

We would like to give our wholehearted support to the amendment to the Bill proposed by Mark Latham in regard to the Anti-Discrimination Amendment (Complaint Handling) Bill 2020.

After reading about some of the problems that have arisen from the decisions of the NSW Anti-Discrimination Board, it would seem to us that the exact opposite has resulted from what the Board was originally set up to achieve. It defies common sense and all reasoning that a vindictive individual could sway the board for so many years, waste tax payers money and get away with it. It would appear that the system is being grossly abused in this instance and mainly because the Board is implicit, or at least has a false sense of what its duties are to the people of New South Wales. An investigation should be done into the people who are sitting on this board. The decisions being made do not seem to be at all helpful to the community at large. Many issues come to mind about this Anti-Discrimination Board and we feel sure that there are many citizens of this state who are not happy or would not be happy if they knew what was going on.
