**INQUIRY INTO PROVISIONS OF THE FIREARMS AND
WEAPONS LEGISLATION (CRIMINAL USE) BILL 2020**

Name: Mr Mason Binge

Date Received: 13 May 2020

I oppose it as it wouldn't stop firearm related crime. It would also negatively impact licensed firearm owners who take on basic maintenance and repairs of their own firearms. The lack of gunsmiths in this country would also leave a lot of firearms redundant. This bill is however aimed at non licensed firearm holders (criminals). But will also severely impact licensed firearm holders who also are also in very isolated areas, in which they would not be able to fix their own firearms in the event of breakage or malfunction.
