**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Mr Andrew Harris

Date Received: 13 May 2020

The Powerhouse Museum is a much-loved and priceless piece of our collective heritage. It belongs to all of us. It should not be flogged off to developer cronies. It is an outrage that it is being jeopardised. It must be saved. Sydney is also already facing monumental over-development in that area.
