**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Ms Anne Schofield AM

Date Received: 14 May 2020

I sent a submission to the original Upper House Enquiry. My objections to the proposed move of the Powerhouse Museum remains unchanged. I own an important collection of Antique Jewellery which was exhibited in the Powerhouse Exhibition 2014-15 - 'A Fine Possession - Jewellery and Identity' curated by Eva Ryl. I had every intention of donating the collection to the Powerhouse but am now considering donating it to another institution as it should be housed in a Museum of Design in the City of Sydney - not in Parramatta. Other donors are sending their collections of decorative arts elsewhere, such as the important collection of Australian Jewellery, which is going to the NMA this year.
