**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Mr Leslie Carter

Date Received: 15 May 2020

To the Select Committee on the Management of the Powerhouse Museum,

I wish to OBJECT TO and OPPOSE the Government's proposals regarding the Powerhouse Museum

for the following reasons:

1. The Powerhouse Museum must remain in its CURRENT location at ULTIMO.
2. It is currently located in Ultimo with GOOD ACCESS for regional and interstate VISITORS, for International TOURISTS and ALL Sydney residents.
3. ANY NEW MUSEUM for Parramatta should be developed with an ALTERNATE emphasis to the Powerhouse Museum.
4. Any new Parramatta Museum must not be located on a FLOODPLAIN beside the Parramatta River.
5. BOTH WILLOW GROVE and ST GEORGE'S TERRACES MUST BE PRESERVED. Parramatta's heritage must be preserved.
6. Proposals to merely retain some heritage features of the Powerhouse Museum are laughable.

Yours sincerely,

Leslie Carter
