**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Mr Craig Lyons

Date Received: 17 May 2020

The powerhouse museum should stay where it is. It is madness to destroy a heritage museum which is located in a great position for tourists. It is more madness to suggest relocating it to Parramatta where international tourists don't want to go. On top of that the proposed site has a heritage building on it. Destroy a heritage building to build a museum to house items of our heritage. Madness. Also apparently part of the site is a flood prone area. Can't believe I even have to write a submission against such crazy ideas.
