**INQUIRY INTO OPERATION OF THE POINT TO POINT
TRANSPORT (TAXIS AND HIRE VEHICLES) ACT 2016**

Name: Mr Moussa Mahfouz

Date Received: 29 May 2020

I'm emailing you in regards the hardship I am going through at the moment due to the freeze of my taxi plate. I have had no income other than this for five years now and this has seized due to covid 19.

I have separated from my family, have since had a mortgage repayments of \$150000.00 debt and only received low income from Centrelink which is not enough for me to survive this situation.

Can you please consider my situation and offer me financial help so I'm not in further loss as I am sick and Need regular medication and have over due payments.

I have applied for hardship payment before and have been let down and therefore the loss is still building up.

My plate is currently frozen at botany nsw out of work.
