Upper House Inquiry into Point to Point
Transport (Taxi & Hire Vehicles) Act 2016

The Director Portfolio Committee No 6
Parliament House - Macquarie St
Sydney 2000

Sir

Since 2016 I have made many submissions to my local member regarding the Point to Point (Taxi & Hire Vehicles) Act 2016 expressing the disastrous effect this legislation has caused viz: loss of equity in taxi plate & and alarming reduction in lease arrangement earnings. Please note monthly earnings in bank statements enclosed for March - April 2014 & compare same to information in correspondence from Legion Cabs on the 11th January, 19th March & 15 April 2020

In 1976 I managed to use my superannuation contributions to purchase the now heavily depreciated plate.

At age 93 my only source of income is a \$640 weekly War Service Pension.

Please take the above facts into consideration at the Upper House Inquiry

Yours sincerely

W. Biddle
