**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND
CULTURAL PROJECTS IN NEW SOUTH WALES**

Name: Ms Laraine Sutherland

Date Received: 22 June 2020

To Whom It May Concern,

I am letting you know that I am totally opposed to the moving of the Ultimo Power House Museum!! Leave it where it is, costing a fortune to move exhibits, some cant really be moved!! Build a museum at Parramatta in its own right, there are more than exhibits to house two museums. Wake Up!! The general public dont want heritage destroyed , what we wont have! is a crying shame` I have written to Dougal Saunders as well he is our local member
