INQUIRY INTO REVIEW OF THE NEW SOUTH WALES SCHOOL CURRICULUM

Name: Mr Bogdan Plag

Date Received: 1 July 2020

I'm father of 2 and grandfather of 5-coming 36 years ago to Australia - from communist country, I never thought I'd have to fight again, against some inhuman evil ideology-sexualisation kids,(5 y.o.) at school! My understanding is, that it is WHO guidance for school education for all UN member countries. I'd like to believe ,that we elect government to serve us first, not some discredited organisation as WHO based in New York! I'd like to believe that you are, to keep us save and protected (not only our kids but also general population) from any harmful ideology. Please keep it in your mind during debate.
