**INQUIRY INTO GOVERNMENT'S MANAGEMENT OF THE  
POWERHOUSE MUSEUM AND OTHER MUSEUMS AND  
CULTURAL PROJECTS IN NEW SOUTH WALES**

I wish to express my strongest objections to the Government's proposal to demolish Parramatta heritage properties to make way for a museum or anything else. (Terms of Reference 1(a)(v)).

There must be many more suitable locations for development. Our heritage is precious and needs to be celebrated, not trashed.

I fully support the Union's green ban to protect from demolition these valuable heritage buildings.
